## Getting Started

Set up your PSP® (PlayStation®Portable) system according to the instructions in the manual supplied with the system. Turn the system on. The power indicator lights up in green and the home menu is displayed. Press the OPEN latch to open the disc cover. INSERT **Disney G-Force** disc with the label facing away from the system, slide until fully inserted and close the disc cover. From the PSP® system's home menu, select the Game icon and then the UMD™ icon.

A thumbnail for the software is displayed. Select the thumbnail and press the **X button** of the PSP® system to start the software. Follow the on-screen instructions and refer to this manual for information on using the software.

**NOTICE:** Do not eject a UMD™ while it is playing.

### Memory Stick Duo™

*Warning! Keep Memory Stick Duo media out of reach of small children, as the media could be swallowed by accident.*

To save game settings and progress, insert a Memory Stick Duo into the memory stick slot of your PSP® system. You can load saved game data from the same memory stick or any Memory Stick Duo containing previously saved games.

## Introduction

The fate of the world is in your paws!

The evil billionaire Leonard Saber and his dangerous computer program, SaberSense, are about to take over the world. Only you can stop him. Armed with the latest high-tech spy equipment, you and your pint-sized operatives must battle an army of evil appliances in a series of high-octane missions to stop Saber from completing his sinister plans.

## Meet the G-Force Team:

**Darwin** – G-Force commander

**Mooch** – Surveillance

**Blaster** – Weapons and transportation

**Juarez** – Martial arts specialist

**Hurley** – Unlikely team member

**Speckles** – Cyber intelligence

## Missions

**Saber Mansion** – Break into Leonard Saber’s mansion and stop SaberSense before it activates.

**Production Facility** – Prevent the shipment of dangerous new SaberSense appliances.

**FBI Headquarters** – Infiltrate the FBI building to spy on the evil billionaire, Saber, who is being held for questioning.

**Satellite Control Center** – Bring down Saber’s satellite system.

**“Clusterstorm”** – Stop Clusterstorm before it destroys the world.

## Enemies

There are two types of enemies in *Disney G-Force* for the PSP® system:

**Destructible Enemies** – Destroy these enemies with your Electro-whip before they destroy you.

**Hack-able Enemies** – Hack these enemies like a computer to solve certain puzzles or overcome obstacles. Beware -- they will attack you if they are not hacked.

## Collectibles

Look for these helpful items on your covert adventures:

**Small health package** – Add 1 health point to Darwin’s health

**Large health package** – Replenish all of Darwin’s health points

**AI chip** – These chips buy items in the Extras menu

**Secret file** – Use these to unlock entries in the Extras menu

**Mooch package** – Increases both time and distance

**Whip energy** – Creates a special whip attack

**Double damage** – Deals double damage
